***Existing nonconforming

Parking Notes

Per § 171-89 Parking exemption.
Structures and land uses in the VC-BD District between Church Street and Jackson Street which are legally in existence shall not be subject to the parking and loading space requirements set forth in this article. This exception to the parking and loading space requirements of this article shall also apply to changes of use in said existing structures. However, any parking and loading facilities now existing to serve such structures and uses shall not be reduced except where they exceed such requirements, in which case they shall not be reduced below such requirements.
